Panelists To Guide You Through Your Questions

This event will feature experts on long term care planning, including a consultant, attorney, and senior living community director to address what triggers to look for in aging adults, how to prepare for long-term care, and what you should know about Medicare, Medicaid, long-term care insurance, and available tax benefits. Panelists include:

Rene Reixach,
Partner, Woods Oviatt Gilman, in the firm's Elder Law and Health Care Practice Group

Jayne Van Zile,
Long Term Care Insurance Consultant at JVZ Strategies

Lloyd Theiss,
Executive Director of UR Medicine Thompson Health's Ferris Hills and Clark Meadows, and The Highlands at Pittsford

Bring your spouses or employees who may also be struggling to navigate the long term care labyrinth.

FEE \$25 per person

What You Need to Know About Long Term Care

Have aging parents or in-laws? Informal caregivers often face difficulties navigating the services and funding sources that constitute long-term care and barriers to identifying and accessing these resources can compound the time, energy and emotional difficulty of care giving.
